

ROUND TANKS

See over for our Slimline/Slender Tanks & Pump Covers

All poly tanks are available in 17 aesthetically pleasing colours

Colours are a guide only and not for colour accuracy. * COLORBOND® and the colour names are registered trademarks of Blue Scope Steel Ltd. TM Colour names are trademarks of Blue Scope Steel Ltd

FITTINGS INCLUDED ON ALL TANKS

Critical Features & Benefits:

- The all important base radius and Australian Standards
- Made using virgin grade Australian Standard 4020 compliant raw material for contact with drinking water
- Massive 10 Year Warranty on all tanks, fix or replace guarantee, not pro rata like many others
- Corrugated Iron look in many models available for that special aesthetic appeal
- All tanks are designed and meet stringent finite elements analysis (F.E.A.) by independent engineers
- Tanks designed for maximum hoop strength and prevent bulge or splitting
